

The logo features the letters 'CIG' in a large, bold, black sans-serif font. Each letter has a small, golden oil drop icon integrated into its design: a drop on the left side of the 'C', a drop on the vertical bar of the 'I', and a drop on the right side of the 'G'. Below 'CIG' is the text 'OIL GAS' in a bold, black sans-serif font, and 'SUMMIT' is written below that in a smaller, golden sans-serif font.
