FOR IMMEDIATE RELEASE

‘CIO Finance Summit’ Announces Unisys Collaboration

April 28, 2008- The ‘CIO Finance Summit’ is pleased to announce that Unisys will serve as sponsor at the financial service business summit. The information technology services and solutions company will be recognized as a Silver Sponsor at the September 22-25 summit.

Unisys, President, BPO Services, Mr. Anthony Doy will be in attendance. Glenn Willis, EVP, ‘CIO Finance Summit’ commented- “Outsourcing is becoming a reality for many CIOs that are looking at enhancements in process & operational efficiency, large cost savings within their I.T. department and resource utilization. Unisys as global company offers great expertise and focuses on the areas that matter. This adds a great component to the agenda and our delegates will be eager to hear the views of an organization that maintains superior levels of performance and customer satisfaction with their already impressive client base.”

About Unisys

Unisys is a worldwide information technology services and solutions company. Unisys provides consulting, systems integration, outsourcing and infrastructure services, combined with powerful enterprise server technology. Unisys specializes in helping clients use information to create efficient, secure business operations that allow them to achieve their business goals. Consultants and industry experts work with clients to understand their business challenges and create great visibility into critical linkages throughout their operations.
