FOR IMMEDIATE RELEASE

CIO Healthcare Summit Announces mobihealthnews 2010 Media Partnership

November 24, 2009- CDM Media is proud to announce mobihealthnews, the leading trade publication for the wireless healthcare industry, as a media partner of the 2010 CIO Healthcare Summit. The CIO Healthcare Summit will gather CIOs from the nation's top healthcare organizations and industry thought leaders for the May 9-12 2010 event, to be held at the Phoenician Resort in Scottsdale, AZ.

"We are thrilled to have mobihealthnews partnering with us for the CIO Healthcare Summit. They are converging two industries that are shaping the future of healthcare. The CIO Healthcare Summit is designed to provide healthcare's influential leaders and executives with an exceptional opportunity to interface with similar thinking individuals who looking to address these same situations. Having mobihealthnews' support of the upcoming summit is greatly welcomed," said Glenn Willis, CEO of CDM Media and acting EVP, CIO Healthcare Summit.

Mobihealthnews is the leading trade publication, including a combination of breaking news, exclusive interviews and live event coverage for the wireless healthcare industry. The publication tracks innovations and helps define sustainable business models for the emerging wireless health industry. Mobihealthnews reaches a targeted audience of hospital administrators, healthcare service providers, physicians, nurses and the industry players who are developing the devices and services that are transforming healthcare today.

Attendees of the CIO Healthcare Summit will discuss current challenges, best practices, breakthroughs and trends in the Healthcare industry. Agenda highlights include panel discussions and workshop sessions focusing on business intelligence, healthcare security and a keynote presentation discussing how technology can enable healthcare.
