FOR IMMEDIATE RELEASE

***Smart Grid Today* Joins the CIO Utilities Summit as a 2010 Partner**

January 20, 2010—The CIO Utilities Summit team is pleased to announce a new media content partnership with *Smart Grid Today*, a worldwide daily news journal of the modern electric utility industry.

The CIO Utilities Summit, to be held April 18 – 21, 2010, is an opportunity for technology executives and leaders from top utility companies to network, discuss recent IT trends and learn about new technology. Held at the exclusive Phoenician Resort in Scottsdale, Arizona, the IT event features one-on-one Executive Exchanges, Thought-Leadership workshops and CIO Case Studies.

Smart Grid Today is an advertising-free daily newsletter that features exclusive interviews, in-depth reporting and complete coverage of the industry's hot topics. [Smartgridtoday.com](http://smartgridtoday.com) features discussion forums, audio conferences, an event calendar, resource directory, glossary and more.

"*Smart Grid Today* is a wonderful resource for technology professionals in the utility industry and we are proud to be partnering with them for the CIO Utilities Summit. The content that this publication provides on a daily basis is truly invaluable to our attendees, who will only benefit from their participation," said Ross Abbott, Event Director, CIO Utilities Summit.

With a strategic agenda and delegates from top companies in North America, the CIO Utilities Summit is a must-attend event for IT executives in utilities. For more information about the CIO Utilities Summit, go to <http://www.cioutilitiessummit.com/>.

About CIO Utilities Summit

The SBS Division of CDM Media has a reputation for delivering strategically positioned, content-driven events to C-level clientele from Fortune 1000 organizations. With experience delivering intimate, effective business summits, CDM Media helps executives develop great business ideas and lasting relationships with their peers and colleagues. The CIO Utilities Summit will be hosted April 18-21, 2010 at the exclusive Phoenician Resort in Scottsdale, AZ. The summit gathers business leaders from the most technologically advanced and innovative companies within North America's utility industry to debate and network on critical business technology issues.
