FOR IMMEDIATE RELEASE

Speaking Opportunity for Government IT Thought-Leaders to Address Public Cloud Infrastructure and Virtualization Topics

March 4, 2010 – The CIO Government Summit team has issued a call for speakers for IT executives in the government sector who are qualified to speak on public-sector cloud and next generation IT infrastructure topics. The CIO Government Summit is an education driven and strategy focused event for CIOs and IT thought-leaders in government. The event will be held at the InterContinental Montelucia Resort in Scottsdale, AZ May 23-26, 2010. Speaker applications are now open at www.ciogovernmentsummit.com/callforspeakers

Required qualifications for speakers:
- Senior level IT decision maker at a government entity
- Executive-level experience within a government entity with a direct technology focus

Speaking opportunities at this year's CIO Government Summit include the following topics;
- Public-sector cloud computing
- Open government: defining, designing, and sustaining transparency
- Next generation IT infrastructure within government
- Virtualization – key to building a dynamic and efficient IT

If you are interested in speaking at the CIO Government Summit please visit www.ciogovernementsummit.com/callforspeakers or e-mail Mark Southam, Event Director, CIO Government Summit at mark.southam@cdmmedia.com.

About the CIO Government Summit

The CIO Government Summit will be hosted May 23 -26, 2010 at the InterContinental Montelucia Resort in

Scottsdale, AZ. The summit is designed to provide an educational and content focused forum for North America's IT executives in the government sector. The CIOs, C-level IT executives and IT decision makers that attend the CIO Government Summit will participate in a strategic three-day agenda filled with workshops, case studies and keynote presentations surrounding industry trends and challenges. The CIO Government Summit is organized by the Strategic Business Summit (SBS) division of CDM Media. This SBS division delivers effective, vertically-focused events for IT leaders in technology. For more information about the CIO Government Summit, please visit http://www.ciogovernmentsummit.com/
