FOR IMMEDIATE RELEASE

ITO America Announces the Latest CIO Contributors from Vanguard, Verizon and Google Enterprise

April 13, 2010 - ITO America, the leading online business technology resource, is pleased to announce the Web site's latest content contributors: Paul Heller, Managing Director & CIO, Information Technology Division, Vanguard; Rilck Noel, VP & Global Energy Director, Energy and Utility, Verizon; and Matthew Glotzbach, Director, Product Management, Google Enterprise.

ITO America features the latest information on IT topics and trends, including green IT, business intelligence, cloud computing and more. The above listed technology executives participated in one-on-one interviews with ITO America on the consumerization of IT, smart grid security and risk, and maximizing the effectiveness of enterprise search, respectively. To listen to these interviews go to www.itoamerica.com and click on the "Podcasts" tab on the navigation bar.

ITO America's contributors represent some of the most admired and technologically advanced companies in North America. Their podcasts, white papers and other contributions provide ITO America's audience of more than 148,000 IT managers, directors, and C-level executive readers with priceless executive insights that can then be used to make better business decisions within their organizations.

"We are pleased to include contributions from representatives from such great organizations as Vanguard, Verizon and Google Enterprise in ITO America. These IT executives are entrenched in the technology issues that businesses are facing today and can therefore offer the most appropriate advice. Their contributions have been of great interest to our readers," said Glenn Willis, Editor-in-chief, ITO America.

If you are interested in contributing to ITO America or participating in the ITO America Thought-leadership Series, contact Sarah Safranski, Editor, ITO America at sarah.safranski@cdmmedia.com or 808-694-3675.
