CDM Media Enters Strategic Partnership with insideHPC

February 11, 2011 – The CDM Media team announced today that it has formed a strategic partnership with insideHPC, a rapidly growing short-format news site that delivers the latest news on high performance computing to scientific and technical computing professionals around the globe, serving up an average of 850,000 page views per month.

CDM Media and insideHPC are partnering on the following technology events:

- CIO Summit, March 13-16, 2011, www.ciosummit.us
- CIO Life Sciences Summit, May 8-11, 2011, www.ciolifesciencessummit.com
- CIO Cloud Summit, June 14-16, 2011, www.ciocloudsummit.com

Written and edited by HPC professionals, insideHPC, www.insidehpc.com, reports on the HPC news and trends that matter most to technology executives. With news updates and video interviews posted throughout the day, the site offers complete coverage of technology, news and business developments throughout the global HPC community. The site has been online since December 2006 and has attracted a highly targeted and dedicated readership, driving the publication's 185 percent growth in just the past two years.

CDM Media's IT events bring together CIOs and technology professionals to discuss the latest IT topics and trends in a relaxed, yet focused business setting. The event's agenda, which includes think tanks, roundtables and panel discussions, encourages attending executives to have candid conversations and make new business contacts.
