CIO Cloud Summit Releases Latest Agenda Details

April 19, 2011 – The CIO Cloud Summit team announced today agenda details for the upcoming technology event, June 14-16, 2011 at the InterContinental Montelucia Resort in Scottsdale, Arizona.

The CIO Cloud Summit is an opportunity for attending CIOs, analysts and solution providers to have in-depth discussions and attend interactive agenda sessions in a relaxed, yet focused setting. The event includes roundtables, think tanks, and panel discussions as well as networking opportunities. Agenda titles include:

- Creating Clouds with Your Strategic Partners
- Casting Light on Shadow IT in the Enterprise
- Developing Custom Business Applications in the Cloud
- PCI DSS Compliance in the Cloud
- Optimizing the Performance of Cloud Computing
- The Transformation of Traditional IT

“The CIO Cloud Summit is a great opportunity for technology executives who want to better understand cloud computing as well as those who have already completed cloud computing projects and would like to optimize their investment. The event’s agenda will cover all aspects of cloud computing technology and sessions will be lead by cloud experts from innovative companies across the U.S.,” said Mark Southam, Event Director, CIO Cloud Summit.

Speakers and moderators at the event currently include representatives from Yankee Group, Bay Cove Human Services, StrataCare, Inc., TiVo, ESG and more.

A few speaking slots still remain. If you are interested in participating in the event’s agenda, contact Mark Southam, Event Director, CIO Cloud Summit at mark.southam@cdmmedia.com or 312-374-0842.
