## Telecom IT Executives Invited to Speak at Upcoming Event

---

**June 17, 2011** – The CTO Telecom Summit team announced today that they would like to invite CTOs and C-level telecom IT executives to speak at the upcoming technology event, September 18-21, 2011 in Scottsdale, Arizona.

The CTO Telecom Summit is an opportunity for attendees to have in-depth discussions, attend networking sessions, and learn about the latest technology solutions in a relaxed, yet focused business setting. The agenda is designed to encourage conversations between event attendees, allowing them to discuss best practices, lessons learned and technology pain points.

Topics to be covered on this year's CTO Telecom Summit agenda:

- The New Era of Cloud Computing
- Open Source Solutions for a Competitive Edge
- Subscriber Data Monetization
- The 4G Revolution - The Future Takes Shape
- Technology Management - Old Process, New Challenges

The CTO Telecom Summit Content Committee, a group of leading executives from innovative telecom companies, chooses agenda topics for the event. Agenda sessions include panel discussions, analyst Q&As, roundtables and think tanks as well as keynote and thought-leadership presentations.

Qualified speakers will receive a VIP pass that includes travel, accommodations, food and drink for the duration of the event.

For more information about the CTO Telecom Summit, visit [www.ctotelecomsummit.com](http://www.ctotelecomsummit.com) or contact Ross Abbott, VP, Sales, North America, at [ross.abbott@cdmmedia.com](mailto:ross.abbott@cdmmedia.com) or 808-694-3661. To speak at the event, visit the call for speakers page at [www.ctotelecomsummit.com/callforspeakers](http://www.ctotelecomsummit.com/callforspeakers).

## **About the CTO Telecom Summit**

CDM Media brings together CIOs and technology executives from North America's Fortune 1000 organizations to develop business ideas and build lasting relationships with peers and colleagues. The CTO Telecom Summit, to be held September 18-21, 2011, allows IT executives to discuss the latest business technology issues and learn about current technology solutions.
